

Northern Ireland Assembly and Business Trust

European Programme 2010

1st—4th February

The Northern Ireland Assembly & Business Trust will be hosting a visit to Europe for parliamentarians and businesses, running from 1st—4th February 2009.

We are inviting each of our business members to nominate one representative from their company to attend this programme (additional company representatives may be nominated, at the company's own expense).

The basic programme, along with details of how to register your interest, is shown below. Please note that elements of the programme are subject to change. This Programme is aimed at business sectors affected by EU Legislation and that consequentially have a relevant business interest in the programme. Limited business places are available.
