

NIABT Briefing on North/South Collaborative Opportunities in EU Framework Programme 7

The Northern Ireland Assembly and Business Trust (NIABT) works to forge links with, and promote the exchange of knowledge and information between local businesses and parliamentarians here and in Europe.

Our popular breakfast briefings cover a wide range of business related topics. They are hosted by prominent politicians and members of the business community.

Join us at the next briefing where Aidan Gough, Strategy and Policy Director, and Simon Grattan, EU programme co-ordinator at InterTradelreland, will present an overview of North/South Collaborative Opportunities in EU Framework Programme 7. This Framework is the main way that the EU extends research and technological development opportunities to EU Member States.
