

## NIABT Briefing on the Companies Act 2006

The Northern Ireland Assembly and Business Trust (NIABT) works to forge links with, and promote the exchange of knowledge and information between local businesses and parliamentarians here and in Westminster and Europe.

Our popular breakfast briefings cover a wide range of business related topics. They are hosted by prominent politicians and members of the business community.

Join us at the next briefing where Dr Rosemary Craig JP LM BL BA (Hons) LLB (QUB) LLM (Leic) (Dist) MHSM CIPD, Associate Lecturer at the University of Ulster will deliver a briefing on the new Companies Act 2006.

This is one of the largest pieces of UK legislation ever produced and Dr Craig will take this opportunity to explain the different stages of the Act and discuss the implications it has for businesses in Northern Ireland and the UK as a whole. Dr Craig will base much of the discussion on her publication "The Enormous Turnip: a discussion on the Companies Act 2006"
