

NIABT briefing on the creative industries

The Northern Ireland Assembly and Business Trust (NIABT) works to forge links with, and promote the exchange of knowledge and information between local businesses and Parliamentarians here and further afield in Dublin, Westminster and Brussels.

Our popular breakfast briefings cover a wide range of business related topics. They are normally held on the second Tuesday of every month and are hosted by prominent politicians and members of the local business community.

Join us for the next breakfast briefing where Michelle McIlveen MLA, Chairperson of the Culture, Arts & Leisure Committee will provide an overview of the role of the Committee and report on the findings of a recent Committee Inquiry into Maximising the Potential of the Creative Industries here.

Stephen McGowan from the Department of Culture, Arts and Leisure (DCAL) will then provide a briefing on the creative industries, delivering a first-hand view of the positive impact the creative industries are having on Northern Ireland.
