

InterTradelreland Briefing

The Northern Ireland Assembly and Business Trust (NIABT) works to forge links with, and promote the exchange of knowledge and information between local businesses and Parliamentarians here and further afield in Dublin, Westminster and Brussels.

Our popular briefings cover a wide range of business related topics. They are normally held on the second Tuesday of every month and are hosted by prominent politicians and members of the local business community.

Join us at our next briefing and meet Aidan Gough, Director of Strategy & Policy at InterTradelreland, who will present an overview of InterTradelreland's work and comment on latest economic trends.
